

### Mainland China Number Service Terms and Conditions:

1. Monthly fee includes one China mobile number ("China Number") which can be used for receiving and sending incoming SMS and incoming call only. Via China Number:
  - Receiving incoming SMS is unlimited within Hong Kong, Mainland China and other roaming destinations
  - Incoming voice minutes received within Hong Kong are charge as local voice minutes or deducted from prepaid SIM entitlement or charge at standard travel voice charges when outside Hong Kong
2. The China mobile number in the service cannot be ported out.
3. Customers of the service are required to provide personal data in order to complete the real name registration process. For more information, please contact us via [online chat](#).
4. China number service will be renewed automatically upon expiry for the prepaid account with sufficient remaining stored value.
5. The service is applicable to selected SIM Card only.
6. SIM World reserves the right to change all charges without prior notice.
